

K Lab Brand Guidelines (WIP)

PLACEHOLDER - awaiting the PDF export of the working document.

The complete guidelines exist as an Illustrator file:

brand-source/guidelines-wip/K Lab - Brand Guidelines wip 10Aug.ai

It is 486 MB and cannot be served or version-controlled as-is.

Meanwhile the portal surfaces the key standards directly:

Logo - lockups, clearspace, minimum sizes, do and don't

Colors - brand identity palette and product design tokens

Typography- Sora, the type scale, and downloadable tokens

Imagery - approved backgrounds, renders, and usage rules

Replace this file with the real export and rerun:
